

Community Center Rental

We charge a fee of \$75 for the meeting room a day or \$150 for the meeting room and bay. The weekend fee for the meeting room is \$150 or \$300 for the meeting room and bay. The daily fee for each RV space is \$20. We have agreed to give a special discount for renting an RV spot to the volunteers that are presenting educational programs to our community's young people at Fort McKavett State Historical Site. Their volunteers travel great distances at their own expense for the benefit of our children and this is our way of thanking them.

We require a \$200 deposit which will be returned if everything is in good order and the keys to the building are returned.

Groups using the community center must use their own trash can liners, paper goods, foil, condiments, etc. When the group is ready to leave, the tables and counter tops should be wiped down, the stove top and sink should be clean, and the floors should be swept. If something has spilled inside the oven the spill should be cleaned up. All trash must be hauled away.

Date: _____

will rent the [] meeting room [] bay (check all that apply)

starting on _____ **and ending on**

_____. _____ **RV hook-ups will be used**
